## DIRECTIONS:

1. Use the MISTI to stamp the image in waterproof black ink onto watercolor paper and watercolor
2. Lay the art piece flat on some SSS grid paper and use a ruler to line up the Ornate Alphabet Dies across the piece.
3. Use the J for spacing for the second L and once everything is spaced out tape the first three letters down with Purple Tape.
4. Die cut the first three letters, then move the L and O back in place for the second cut.
5. **TIP** - Don't forget to save the white center cut out from the O you need to place it back in at the end.
6. Use black scrap to cut each letter three more times.
7. Stack the four pieces for each letter and glue them together with white glue.
8. Mount the art piece to a piece of fun foam board, cut just a bit smaller than your art piece (4 x 6)
9. Use White glue to place the stacked letters back into the holes on the art piece.
10. With the black underneath, this creates the "Eclipse".
11. Attach the art piece to a top folding 5 x 7 card base
12. Finally, Add the black sentiment under the cut-out letters with foam tape pieces to pop it up just a bit.
13. Use the Studio Katia embellishment wand and tray to add with Simon Says Stamp Rainbow Party Sequin Mix
