4 – ¼ x 5-1/2 – to die cut the hill
4-1/4 x 5-1/2 – stamp color and cut out snowmen
2-1/2 x 4 – die cut tag
2-1/2 x 4 – die cut tag

DIRECTIONS:

1. Use the Misti Stamping Tool to stamp the snowmen in Copic Friendly Ink.
2. Color the images and cut them out.
3. Use the Stitched Slopes dies to cut a hill from the white card stock and set aside.
TIP – I have cut my dies apart so that I can cut a mountain without stitches.
4. Die cut the two tags.
5. Mix a small amount of Gouache with water and use a paint brush to splatter it across the tags.
6. Use the tape runner to add the hill to the bottom of each tag, turn over and trim from the back.
7. Use Foam squares to attach the snowmen to the tags.
8. Use a thin black pen or marker to add some shadow lines under the snowman
9. Add a few clear rhinestones up in the sky.
10. Clean the stamps with the Shammy

Happy Stamping

Here are the supplies used. Where available I use Compensated Affiliate Links, which means if you make a purchase through my link, I receive a small commission at no extra cost to you. Thank you so very much for your support, I genuinely appreciate it.
