4-1/4 x 5-1/2 – card front – stamp color and die cut
3-3/8 x 4 – 5/8 – mat behind art piece
1-1/2 x 3 – sentiment, trim after embossing

DIRECTIONS:

1. Use the Misti Stamping Tool to stamp the dragon onto the Neenah 80# card stock.
2. Color with Copic Markers and die cut the piece with the Zig Zag Rectangles dies.
3. Cut the black mat and attach to the back of the art piece.
4. Use the Misti Stamping tool to stamp the Lots of Dots stamp twice across the card front in VersaMark Ink.
5. Cover with the white embossing powder, shake off the excess and heat set.
6. Use the Blending Tools to add the distress ink over the piece.
7. When finished, wipe with a paper towel to remove any ink sitting on top of the embossed images.
8. White heat emboss the sentiment on the smaller piece of black and trim.
9. Use foam tape to attach the art piece to the card base on a slight angle.
10. Attach the sentiment using a small piece of foam tape where it's off the art piece so it sits flat on the card.
11. Clean the stamps with the Shammy
