DIRECTIONS:

1. Tape the foam out of the Misti and secure the 3-1/2 x 4-3/4 piece of Surf Blue in the center of the platform. Lay the Damask Background stamp over the piece and close the lid to secure it to the inside.
2. Ink the stamp with Surf Blue Ink and stamp.
3. When the ink is dry secure the frame die to the left side of the piece with purple tape and run through the die cutting machine.
4. Cut a second frame from the smaller piece of white.
5. Attach the card front to the center of the top folding A2 card base with the tape runner.
6. Run a thin bead of the white glue around the frame hole and insert the white frame
7. Place more glue on the back of the small blue cut out and place it inside the frame. It will fit snugly
8. Die cut the leaves from the remaining piece of white and use small pieces of foam to attach them down the left side of the card.
9. Die cut two sentiments from the blue card and one from the gold. Use the white glue to layer them and then attach them near the bottom of the card.
10. Cut a coordinating sentiment from the sentiment strips and adhere with foam tape.
11. Use the Embellishment wand and white glue to add a few gold sequins from the Smooch Sequins Mix.
12. Clean the stamps with the Shabby

Happy Stamping
