4 x 5-1/4 – card front
3-1/2 square – die cut leaf
1 x 3 – sentiment

DIRECTIONS:

1. Die cut the leaf and then use the copic markers to color.
2. Use the Detail Ringlet Plate to pierce the card front.
3. Use Foam tape to attach the card front to the card base.

4. Use the Misti stamping platform to stamp the two sentiments.
5. Die cut the large sentiment with the coordinating die and attach with foam tape to the bottom right of the card.
6. Trim the small black and white sentiment and attach it just above the large one.
7. Attach the leaf with foam tape
8. Add a bow with the copper twine tied around the stem of the leaf.
9. You could embellish with a few gold sequins; I chose to leave them out.
