**DIRECTIONS:**

1. Stamp Snowmie onto white Hammermill card with copic friendly black ink. My favorite these days is Simon Says Stamp Intensive Black
2. Color the image with Copic Marker and cut him out.
3. Use the small blending tools to cover the card front with Distress Oxide Ink in Chipped Sapphire, Blueprint Sketch and Broken China.
4. Heat set the ink until it's really dry and then mix some Winsor & Newton White Gouache with water and splatter then entire background and the snowman
5. Use the Stitched Slopes & Hills Dies to create a snowbank for behind Snowmie and attach it to the card front.
6. Trim from the back and attach to the A2 Top Folding white card base.
7. Use foam squares to attach Snowmie and the sentiment.
