CARD STOCK AND DESIGNER PAPER:

Hammermill White

8 x 9 – score and fold at 4 – card base
3-1/2 x 8-1/2 – card front
5-1/2 x 8-1/2 – stamp and die cut art pieces.
3 x 4 – stamp color and cut out grass

DIRECTIONS:

1. Use the blending brushes to add the Distress Oxide Ink to the entire card front.
2. Place the stencil over the card front and add a second layer of the same colors. This creates a very faint heart background or "wallpaper."
3. Use the Misti to stamp all the images onto the white card stock in Copic friendly ink.
4. Color all the images and cut them out.
5. Add another 3 x 4 piece of white to the Misti and stamp the grass twice across the top.
6. Color with copics and cut out the grass image at the top.

7. Adhere the grass to the bottom front of the card front and trim the edges and bottom flush with the card front.
8. Place the card front back into the Misti and position the images without gluing them down.
9. Stamp the sentiment in Black Ink.
10. Attach the card front to the card base.
11. Use Foam squares to attach all the art pieces.
12. Clean the stamps with the shammy.

Happy Stamping
