Absorber Stamp Cleaning Shammy

CARD STOCK AND DESIGNER PAPER:

Spellbinders White Card base

Spellbinders white

Hammermill white

5-1/2 x 8-1/2, scored and folded at 5-1/2 - card base.

4-1/4 x 5-1/2 (2) – to foil the frames and then trim down.

2 x 3 – foil and die cut the sentiment.

4-1/4 x 5-1/2 – stamp, color and cut out floral image.

DIRECTIONS:

1. Use the Spellbinders Glimmer Foil System and the white card stock to glimmer two frames. I used the smaller of the large and medium frames.
2. Next, Glimmer foil the sentiment and cut out with the coordinating dies.
3. Use the Misti Stamping Tool to stamp the floral image in black copic friendly ink.
4. Color the image and cut out.

5. Trim the frames and attach the larger one to the card front with the Scor Tape.
6. Use Foam Squares to attach the smaller one to pop it up and add dimension to the card
7. Use Foam squares again to attach the floral image.
8. Attach the sentiment using a glue dot on the left side and a foam square on the right so it lays flat.
9. Embellish with three pink crystals.
10. Clean the stamp with the shammy.

Happy Stamping
