DIRECTIONS:

1. Place the watercolor paper into the Misti Stamping Platform near the center so that you can stamp the wreath partially off the paper on the left side.

2. Stamp the image in VersaFine Clair Nocturne ink, cover with clear embossing powder, shake off the excess and heat set.
3. Use the watercolors to color the image and let it dry.
4. Stamp the sentiment with the VersaFine Clair Monarch ink and cut out with the coordinating die.
5. Use the same die to cut two more out of the black card stock and offset them to create a shadow behind the sentiment.
6. Once the art piece is dry use strong tape such as Scor Tape to secure the art piece to the mat.
7. Use Foam Squares or Foam strips to attach the art piece to the card base.
8. Use Foam Squares to attach the sentiment near the bottom.
9. Use the white glue and the embellishment wand to add the gems in and around the wreath.

Happy Stamping
