3-7/8 x 5-1/8 – mat for art piece  
3-3/4 x 5 – card front (art piece)  
3 x 4 – die cut a circle  
stamp, emboss and paint one additional butterfly  
1 x 2 - sentiment

**DIRECTIONS:**

1. Place the watercolor paper into the Misti Stamping Platform near the center so that you can stamp the butterflies all the way around.
2. Stamp the image in VersaFine Clair Nocturne ink, cover with clear embossing powder, shake off the excess and heat set.

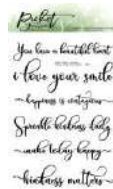

3. Repeat the first two steps on the small piece of watercolor paper for the extra butterfly for the sentiment piece.
4. Use the watercolors to color the images and let them dry. Fussy cut out the single butterfly.
5. Water down the same colors and use them to color in the background around the butterflies.
6. When the piece is dry, use strong adhesive such as Scor Tape to attach to the black mat and then to the top folding A2 sized white card base.
7. Die cut the circle from the white card and then use the Fog Ink to stamp the butterfly all over it.
8. Attach the circle to the card front with foam squares.
9. Use a small piece of foam square to attach the single butterfly to the top of the sentiment circle.
10. Use the white glue and the embellishment wand to add the gems in and around the wreath.
