DIRECTIONS:

1. Place the watercolor paper into the Misti Stamping Platform near the center so that you can stamp the floral image.

3. Remove the watercolor paper, add the strip of white and stamp the sentiment in Black ink. Set aside to dry before die cutting with the coordinating dies.
4. Use the watercolors to color the image and let them dry.
5. Dilute the paint a bit and use to splatter across the background of the piece.
6. Use the Score tape to attach the art piece to the mat.
7. Add Foam tape across the back of the art piece and then attach it to the card base.
8. Use small pieces of the foam squares to attach the sentiment to the card.
9. Finally, embellish with the Sequins.
10. Clean the stamp with the stamp scrubber.
