7 x 8-1/2 – score and fold at 3-1/2 – card front

3-3/4 x 9 – Cut down with the small slimline nested rectangles die – card front.

2-1/2 x 5-1/2 – die cut sentiment.

DIRECTIONS:

1. Die cut the card front.
2. Place it on your protected work surface and use Pixie Spray to attach the butterfly die to the left side of the card front.
3. Use the Life Changing Blending Brushes to add Distress Oxide Inks to the wings.

TIP – Ensure you add a bit of ink on the outside of the stencil so both sides of the detail show.

4. Reposition the stencil to the top right corner of the card front and repeat.
5. Mix water with the ink and splatter across the card front.
6. When dry, attach the card front to the card base.
7. Die cut the sentiment from the black cardstock and use the fine tip on the Bearly Glue to attach it to the right side of the card.
8. Embellish with the Gin and Tonic Sequin Mix from Picket Fence Studios
