DIRECTIONS:

1. Die cut the card front.

2. Use the blending brushes to add a light layer of the distress oxide inks across the card front in a rainbow color combo.
3. Place the stencil over the card front and stencil the same color through the stencil as what you see underneath to create a tone-on-tone light dot pattern.
4. White heat emboss the sentiment on the black cardstock.
5. Attach it near the bottom of the card front and trim to fit.
6. Attach the card front to the card base with the Score Tape.
7. Use the Misti to stamp the sundaes, cherries, and strawberries onto the remaining piece of white cardstock.
8. Use copic markers to color the images.
9. Die cut the images with the coordinating dies.
10. Attach them to the card above the sentiment with foam squares.
11. Embellish using the embellishment tool and white glue.
12. Clean the stamp with the stamp scrubber.

Happy Stamping
