4-1/4 x 11, score and fold at 5-1/2 – Card Base

4 – 1/4 x 5-1/2 – card front

3 x 9 – die cut art pieces.

3 x 3 – die cut background

1 x 4 – heat emboss sentiment

DIRECTIONS:

1. Remove the stamping foam and paper from the Misti.
2. Place the background stamp into the base of the Misti – rubber side up.

3. Lay the card front onto the center of the stamp, adding some adhesive to the center.
4. Close the Misti Lid and open again.
5. Rub the anti static mat across the card front which is now stuck to the lid.
6. Use the VersaMark Ink pad to ink up the stamp.
7. Close the lid to stamp the card front.
8. Remove from the Misti, cover with white embossing powder, shake off the excess and heat set.
9. Attach to the top folding A2 card base.
10. Die cut all three of the Looking Glass Dies from the watercolor paper.
11. Watercolor each image as show in the video: <https://youtu.be/DQXrGpNKglg>
12. Once dry, add the Nuvo Crystal Drops to the mountains to make snow
13. Add the Crystal Stickers on top of the Crystal Drops to create some shiny spots. Let Dry
14. Use the blending brushes to add the yellow and pink ink to the very background piece
15. Use the Bearly Glue to attach all 4 layers together and then attach the art piece to the center top of the card front.
16. Add white dots to the deer's behind with the gel pen
17. Add stickles under the deer to represent snow.
18. White heat emboss the sentiment onto the scrap of black cardstock.
19. Cut out with scissors and use foam squares to attach under the art piece.

Happy Stamping
