Spellbinders Persimmon
Black – scraps

3-1/2 x 8-1/2 – mat for art piece
die cut Happy 3 times; white heat emboss birthday.

DIRECTIONS:

1. Start by using two of the Picket Fence Slimline Nested Rectangles and die cut the art piece/card front.
2. TIP - I used the two smaller dies which creates a 3-1/4 x 8-1/4 inches card front. You can also just cut this piece of you don't have the dies.
3. Tape them together at the back to create a double stitched border.
4. Use a Misti to stamp the two flowers 5 times across the piece leaving enough space for leaves and the sentiment.
5. Use the Misti again to stamp the leaves around the flowers.
6. Next use Copic Markers to color the flowers and leaves.
7. Color the entire background with a light blue marker. I went a bit teal and used BG32. Make sure you have a juicy marker or and/or a refill as this takes quite a bit of ink.
8. Next, mix some white gouache and splatter the entire art piece.
9. After that, mix some gold watercolor and splatter that.
10. Attach to a 3-1/2 x 8-1/2" Spellbinders Persimmon mat.
11. Finally, create a card base with Hammermill White cardstock 9 x 8", score on the 8" side at 4.
12. Use the "Happy" die from Hero Arts Happy Thanks Stamp and Cut Set.
13. Hit the scrap bin for three pieces of black. Cut them and stack them.
14. Next, White heat embossing "birthday" onto another scrap of black and trim it out.
15. Attach the Birthday with foam squares to the bottom right corner of the card.
16. Use Bearly Art Glue to attach the Happy centered above it.
