DIRECTIONS:

1. Start by ink blending the My Favorite Things ink through the Picket Fence Studios Slim Line Triangle Peaks Stencil
2. Next, attach that panel to a 4 x 9 Slim Line Card Base
3. Use the new Slimline Stitched and Scalloped Rectangles to die cut the scalloped frame and use Foam strips to attach it to the card front.
4. This adds a frame around the main art pieces on the card and helps to define the space.
5. Stamp the Roses in black ink and then color with Copic Markers
6. Die cut the roses with the coordinating die and attach to the left side of the card
7. Using Black card stock, die cut the "Hey You" sentiment three times.
8. Next use white glue to stack them before attaching them to the card base.
9. I was going to add a few sequins, but I decided there was more than enough going on in this card, LOL....
