**DIRECTIONS:**

1. Secure the card front to a protected work surface.
2. Spray the back of the stencil with Pixie spray and secure it over the card front.
3. Use post it note tape to mask off the areas you are not glitzing.
4. Starting with one color, add the glitz to the portions of the stencil.
5. Gently pull up the stencil and wash it and the knife.

6. When the glitz is dry, lay the stencil back in place, mask off the next portion of the image including the previously glitized one.
7. Add the next color of glitz, remove the stencil and clean it and the knife.
8. Repeat the steps with the third color.
9. Once the glitz is dry, attach the card front to the card base.
10. Stamp the sentiment in black ink onto the remaining piece of white and then use the circle die to cut it out.
11. Add it to the center of the wreath using foam squares.
12. Use the embellishment wand to add the sequins.
13. Cut a strip from the Birthday sentiment strips and add it to the bottom using small strips of foam tape.
