4 x 5-1/4 – card front.

4-1/4 x 5-1/2 – Die cut Trees and globe base

DIRECTIONS:

1. Open the embossing folder and lay it flat on your work surface.
2. Use a brayer to add the Salvaged Patina Distress Oxide Ink to the inlaid side of the folder (the image is indented).
3. Place the 4 x 5-1/4 piece of white card stock on the other side of the embossing folder and close it.

4. Run it through the die cutting machine to emboss.
5. This allows for the background to be blue and the snowflakes in the dome to be white.
6. Place the stencil over the piece and mask off the dome before using a blending brush to add more ink through the stencil.
7. Die cut the trees and the dome base.
8. Attach the dome base using Bearly Art Glue
9. Attach the trees using small pieces of foam tape.
10. Use the embellishment wand and Bearly Art Glue to add small rhinestones to decorate the trees
11. Add a small sentiment at the bottom of the dome.
