DIRECTIONS:

1. On the card front, lay the triple weave stencil over it and add the Snowdrop White Paper Glaze through it with a spatula. Go about ¾ the way up, leaving the top section black.
2. Cover one of the 4-1/4 x 5-1/2 pieces of white with a think coat of Paper Glitz Sparkle and set it aside to dry.
3. While all the glazes are drying, use a Misti to stamp, color and die cut the holly.
4. Die cut the sentiment from the mirror gold card stock and then using the fine tip on the Bearly Art Glue, glue it to the bottom of the card front.
5. Flip it over and trim the ends before attaching it to the mat and then to the top folding A2 sized white card base.
6. Use the Snowflake Alice die to cut the Paper Glitz sparkle paper, and two additional snowflakes from the remaining white cardstock.
7. Use the fine tip on the Bearly Art Glue to stack them with the glitz one on top.
8. Glue the snowflake to the top of the card.
9. Use Foam Squares to attach the holly art piece over the snowflake.
10. Clean the stamp with the stamp scrubber
