DIRECTIONS:

- 1. On the card front, lay the triple weave stencil over it and add the Snowdrop White Paper Glaze through it with a spatula. Go about ¾ the way up, leaving the top section black.
- 2. Cover one of the 4-1/4 x 5-1/2 pieces of white with a think coat of Paper Glitz Sparkle and set it aside to dry.
- 3. While all the glazes are drying, use a Misti to stamp, color and die cut the holly.
- 4. Die cut the sentiment from the mirror gold card stock and then using the fine tip on the Bearly Art Glue, glue it to the bottom of the card front.
- 5. Flip it over and trim the ends before attaching it to the mat and then to the top folding A2 sized white card base.
- 6. Use the Snowflake Alice die to cut the Paper Glitz sparkle paper, and two additional snowflakes from the remaining white cardstock.
- 7. Use the fine tip on the Bearly Art Glue to stack them with the glitz one on top.
- 8. Glue the snowflake to the top of the card.
- 9. Use Foam Squares to attach the holly art piece over the snowflake.
- 10. Clean the stamp with the stamp scrubber
