DIRECTIONS:

3. Use the white gel pen to draw lines down the center of each of the black lines in both directions.
4. Use the Misti again to stamp the Merry Christmas Sentiment in the thicker stamps.
5. Once the ink is dry, stamp the second layer with the black ink to create the shadow.
6. Cut the sentiment out with the circle die.
7. Stamp and gold heat emboss the hanger.
8. Attach the hanger and the gold rope to the sentiment.
9. Attach the sentiment to the card front with foam squares.
10. Pull the tail of the gold thread to the back of the card front and secure with scotch tape.
11. Use the tape runner to attach the card front to the card base.
