2. Color the images with the Copic Markers and then cut out with the coordinating dies.
3. Place the card front into the Waffle Flower Stencil Mat.
4. Ink blend the Hero Arts Reactive inks over the entire surface of the card with the pool party in the center and Blue Raspberry around the outside edges.
5. Lay the Waffle Flowers Snow Fall background stencil over the piece and blend the same inks through the stencil to create a soft dotted background.
6. Splatter the card front with water and then with gold and white paint.
7. Die cut two frames using the Pinkfresh Diagonal Stitched Rectangles Dies. Use the white glue to stack them and then add them to the card front with the foam strips.
8. Die cut the sentiment three times. Stack them and glue in the top right corner of the frame
9. Use foam squares and white glue to attach the floral pieces down the left side and across the bottom of the card.
10. Finally, embellish with the blue and turquoise jewels from the Pinkfresh Essentials Jewel Mix.
