CARD STOCK AND DESIGNER PAPER:

White Hammermill

7 x 8-1/2, score at 3-1/2 and fold – card base.

3-1/4 x 8-1/4 – card front

Scraps of white

snowflakes and sentiment

Vellum

2-1/2 x 3-1/2 – shadow for sentiment

DIRECTIONS:

1. Use Blending Tools to add Distress Oxide inks in Tumbled Glass, Broken China, and Salty Ocean down the entire front of the card
2. Next, lay down the Fading Tiny Dots Slimline Stencil and use a palette knife to add Gina K Glitz Glitter Gel through the stencil to create the frozen icy drops in the background.

3. Die cut the sentiment in white and the shadow in vellum and stack.
TIP Bearly Art glue works great for this with it's fine point tip.
4. Next, cut out a selection of white snowflakes from scraps of hammermill card stock.
5. Used Today:

- Snowflake Mandala,
- Mini Snowflake Mandala
- Harmony Snowflakes dies

6. Use Bearly Art glue with the fine tip to glue the snowflakes into the card front. Trim off the overhang and use 1/4 inch Scor Tape to attach the card front to the side folding 3-1/2 x 8 1/2 card base.
7. Finally, slice small pieces of foam tape to fit behind the white writing on the sentiment piece and attach to the card.
8. Add a large clear gem to the center of each snowflake using the Picket Fence Studios Sands of Time Gem Mix (my favorite – it's full of silver and gold gems in many sizes).

Happy Stamping
