DIRECTIONS:

1. Start with a piece of white cardstock 3.1 x 3.1" and the Sunrise Stencil. Use a blending brush and add Mustard Seed Distress Oxide Ink to the top right corner and then through the stencil to create the sun.
2. Next, apply broken China ink to the rest of the piece, then lay over the Digital Bubble Stencil and blend more ink through to create the bubbly sky.
3. Use the Misti to stamp the angel, the cloud and the sentiment onto Hammermill White card. Color with Copic Markers and cut out.
4. Cut the black book page at 4.2" x 4.5"
5. Cut the white Polaroid Base 3.5" x 4.2"
6. Next, attach the art piece to the top portion of the polaroid page.
7. Place it back into the Misti and stamp FLY in the bottom left corner. I'm going for an inspiration word on each page of my art journal.
8. Finally, use Foam squares to attach the angel and the cloud and liquid glue for the words.
9. Add the Take Risks washi tape along the bottom of the art piece.
10. Add glue and Unicorn Confetti to her wings.

Happy Stamping
