## DIRECTIONS:

1. Cut the card base and score and fold.
2. Use the Misti to stamp the freesia image onto the three pieces of hammermill white cardstock.
3. Color the freesia with copic markers and use the coordinating die to cut them out.
4. Attach the watercolor paper to the Sticky Mat. Spritz with water and add the Lindy's magical powders. Spritz again and move around until the entire surface is covered. Set aside to dry or dry with heat tool. Watch this process at 6:24 in the video.
5. Make a stencil out of the dotted slimline die.
6. Place the stencil over the dry watercolor paper and use a blending brush to add Peacock Blue Distress Oxide Ink through the stencil.
7. Cut the panel down to 3-1/2 x 4-3/4 and attach to the center of the top folding A2 sized card base.
8. Use Foam squares to attach the freesia down the left side of the card.
9. White heat emboss two sentiments onto the black cardstock.
10. Trim and add over the stems at the bottom of the card.
11. Use the embellishment wand and Bearly Art Glue to add Marshmallow pearls to the card front.
