DIRECTIONS:

1. Place the 4-1/4 x 5-1/4 hammermill white cardstock onto the Misti Sticky Mat.
2. Place fill in block stencil on top and use a medium blending brush to add Surf ink to the entire card front.
3. Flip the stencil to the opposite side and fill in the block again with Surf Ink to create a box.
4. Attach the diamond center stencil over the card front.
5. Use a small round detailed blending brush to add the Ocean Ink.
6. Clean and remove all stencils to reveal the layered background.
7. Die cut the card front with the second largest of the A2 Thin Frames and then attach to the top folding A2 white card base with scor-tape.
8. Die cut the Etched Evening Blossom die 3 times from Hammermill white cardstock. Use white glue to stack them to create a nice thick die cut.
9. Use the Small Round Detailed Blending Brushes to add color to the flowers and leaves.
10. Use Foam Squares to attach them up the left side of the card.
11. Stamp the sentiment in VersaMark ink onto the small piece of black card stock.
12. Cover with the white embossing powder, shake off the excess and heat set.
13. Cut with the circle dies and attach to the right side of the card with foam squares.
14. Embellish with some turquoise or purple gems, adding purple gems to the flower center for some added bling

Happy Stamping
