DIRECTIONS:

1. Start by placing a piece of white cardstock into the Misti and stamping the road in gray.
2. Next, add the yellow centerline
3. Then, stamp the tree line in light green, change out the stamp to the overlay stamp and stamp that in the darker green.
4. Finally, use the coordinating die to cut the piece out and set it aside.

5. On a second piece of white cardstock. Start by making a sun mask from Gina K Masking Magic. Cover where the sun will be and use blending brushes to add yellow and orange ink to the sky.
6. Next, remove the mask, and place the reverse mask in place then use blending brushes to color in the sun, adding extra orange on the left side for a bit of a shadow.
7. Once the ink is dry, place the piece back into the Misti and stamp the birds and your choice of sentiments.
8. On a separate piece of cardstock, stamp the deer twice. Cut off the antlers on one to make it a female deer.
9. Attach to the card with glue dots.
10. Finally, layer the pieces together, trim down and attach to a A2 sized top folding white card base with a black front.
