**DIRECTIONS:**

1. Start by using the Circle Thin Frames to die cut a circle from the light green cardstock. This is from my stash and I think it’s Simon’s Mint cardstock.
2. Next, use the same die and cut the circle out of matt gold cardstock.
3. Then, glue the green circle to a 4-1/4 x 5-1/2 white card front. Place inside the embossing folder and run it through the die cutting machine.
4. Next, use the fine tip on the Bearly Art Glue to glue the thin gold circle the die cuts around the outside edge of the green circle. (Save the gold circle for another project)
5. Use a second piece of white cardstock 4-1/4 x 5-1/2 and emboss it before die cutting the images out.
6. Finally, use the detailed round blending brushes to add the colors to the die cut pieces.
7. Next, highlight with a white Gel Pen, then glue to the card on the left side.
8. Die cut the new Handwritten Hello sentiment die once in gold and twice in white. Stack them and add them inside the green circle near the top of the card.
