4-1/4 x 5-1/2 – glimmer foil sentiment
4-1/4 x 5-1/2 – card base
4-1/4 x 5-1/2 – glimmer foil sentiment
3 x 4 – die cut diamond and branches

Terra Cotta

Onyx Black

Mirror Gold

DIRECTIONS:

1. Start by Glimmer Hot foiling in Polished Brass onto a 4-1/4" x 5-1/2" piece of Hammermill White Cardstock (I have best results with this cardstock).

2. Next, use blending brushes to add the Distress Oxide Inks in Pine Needles, Ripe Persimmon and Fossilized Amber to the leaves.
3. Then, use a microfiber cloth and rub the surface of the art piece to remove any ink sitting on top of the foil.
4. Finally, Glue the two pieces together to form the diamond.
5. Start by Glimmer Foiling in Polished Brass onto a 4" x 5" piece of Terra Cotta and Black.
6. **Tip** – I always use larger than I need cardstock pieces and cut them down afterwards to ensure I can center the sentiment inside my die cut.
7. Next, die cut the sentiment with the Essential Diamonds Etched Die.
8. Then, use the next size up diamond die and cut a mat from Mirror Gold for each card.
9. Finally, glue them together.
10. Start by cutting card fronts for both cards. The Terra Cotta one is 4" x 5-1/4", the black one is 4"-1/4 x 5-1/2".
11. Next, emboss each card front with the Scattered Fall Embossing Folder before attaching them to a top folding A2 sized White card base.
12. **TIP** – Create the card base by cutting hammermill white cardstock 4-1/4" x 11", score and fold at 5-1/2".
13. Use Scor-tape to attach the card fronts to the card bases.
14. Then use foam squares to add the glimmer art pieces, then the diamond sentiment centers.
15. Finally, die cut the gold branches and white berries and flowers. Glue them together and add them to either side of the glimmer art piece.
