DIRECTIONS:

1. Place the 4-1/4 x 5-1/2 piece of Hammermill white cardstock into the Misti, secured to a Sticky Mat.
2. Add the stamp and stamp the image in Intense black ink.
3. Remove the Sticky Mat (with the cardstock intact), to your work surface.

4. Stencil the color into the image using the coordinating stencils and the Sticky Mat to hold them in place
5. Once done, fussy cut out the image (or die cut if you purchased the dies).
6. Place the 4 x 5-1/4 piece of Hammermill white card stock into the Floral Festoon Embossing Folder and run through the die cutting machine to emboss.
7. Score and fold the card base and then attach the 4-1/4 x 5-1/2 piece of Audrey Blue to the front.
8. Next, use Tear Tape to add the embossed white card front over the blue card front.
9. Use Foam squares to attach the art piece in the bottom left corner.
10. Use the Misti to stamp a sentiment on the scrap of blue cardstock. Trim and attach with foam squares to the top right corner of the card.
11. Use the Sakura #10 White Gel pen to add highlights to the art piece.
12. Use the Embellishment Wand and the fine tipped Bearly Art Glue to attach the Stay Gold Sequins.

Happy Stamping
