Watercolor Paper

7" x 8-1/2" score and fold at 3-1/2" – card base

3-1/2 x 8-1/2" – base card front

3-1/4" x 8-1/4" – mat

6 x 6 – die cut leaves

3" x 8" – art card front

4" x 6" – two butterflies

**DIRECTIONS:**

1. Start by black heat embossing the butterfly images onto watercolor paper and set aside.
2. Next, cut a card front 3" x 8". Attach it to a Misty Sticky mat and lay on a protected work surface.
3. Spritz the piece with water and then start adding Lindy's Magical Powders with a small paintbrush. For this one, I did the teal at the top, the purple in the middle and the green at the bottom.
4. Lindy's Magical Powders used: Lucky Shamrock Green, Sweet Violet Purple, and Tibetan Poppy Teal.
5. Then let the piece dry. Once dry, mix a small amount of powder with water and splatter the surface. Also, use Gansai Tambi Gem Colors and splatter some gold too.
6. Start by placing your heat embossed butterflies onto a protected work surface. Spritz one butterfly at a time with water. Then, using small paint brushes, sprinkle a small amount of each of the Lindy's Magic Powders into specific parts of the image. You may get an overflow, but just let it do its thing. Repeat with the second Butterfly. When dry, cut them out and go around the cut edge with a black marker.
7. Next, using the Spellbinders Fluted Classic Circles Dies, cut the small circle from Bazzill Peacock cardstock. Die cut the Simon Says Stamp Happy in black and attach and add "birthday" from Simon's Reverse Birthday Sentiment Strips.
8. Then, Die cut two Spellbinders Leafy Sprigs from black cardstock for the background, and one Sealed Leaf Sprigs, also in black.
9. Finally, create the white card base: 7" x 8-1/2", scored and folded at 3-1/2".
10. Start by using Tear-iffic Tape to attach the peacock-colored card front, the black mat 3-1/4" x 8-1/4" then the art card front.
11. Next use foam squares to attach the sentiment circle near the center.
12. Then using Bearly Art glue, attach the black leaves.
13. Finally, using foams squares again, attach the butterflies.
14. Then, embellish with Little Things Jewels Granite Mix and Mermaid.
