CARD STOCK AND DESIGNER PAPER:

White Cardstock (Hammermill)

4-1/4" x 11", score and fold at 5-1/2" – card base

4-1/4 x 5-1/2 - card front

DIRECTIONS:

1. Start with a piece of Hammermill White cardstock 4-1/4" x 5-1/2". Place it inside a Misti Stamping Tool and lay the stamp down with the left side as far over as possible.
2. Next, use Tombow Markers to color the images and stamp.
3. **PRO-TIP** – color small sections at a time so the ink stays wet while you stamp. Color the second color over the first without cleaning the stamp so the ink blends in a bit. The stamp is not a solid image, so you will get a very cool watercolor effect by doing this.
4. Then, once you have stamped the entire wreath, remove it from the Misti and position the center sentiment piece. Stamp that in the darker blue used on the wreath.

- Finally, cover the sentiment section with a cut out circle. Then mix up the Gansai Tambi Gem Colors (gold and blue), and splatter around the wreath. Embellish with Stay Gold Sequins from Simon.
