CARD STOCK AND DESIGNER PAPER:

White Cardstock (Hammermill)

4-1/4" x 11", score and fold at 5-1/2" – card base

Watercolor Paper

4-1/4 x 5-1/2

Black card stock

4-1/4 x 5-1/2 - sentiment

DIRECTIONS:

1. Attach a 4-1/4" x 5-1/2" piece of watercolor paper to the Misti Sticky Mat and then set on top of a piece of paper towel on a protected work surface.
2. Spritz the entire paper with water.
3. Add a couple of drops of each reinker to a well and use the Pipette to add a couple of drops of water to each.
4. Using a separate paint brush for each color, start adding the color randomly to the watercolor paper. When the entire surface is covered, set it aside to dry, or dry it with the heat tool.
5. Mix a scoop of the Gold Perfect Pearls into a distress sprayer to create gold mist spray.
6. Spray the surface of the watercolor paper and let it dry.
7. Open the embossing folder and cover the "indented side" with the gray ink.
8. Place the watercolor panel inside the folder. Close the folder and run it through the die cutting machine.
9. Remove the watercolor paper and clean the embossing folder.
10. Next, set the watercolor paper piece inside a Splat Box, and splatter with gold and white paint. Let Dry
11. Very lightly, run the VersaMark Ink pad over the raised surface of your now embossed watercolor panel. Cover with gold embossing powder, shake off the excess and heat set. Repeat until covered.
12. Attach to the top folding A2 sized white card base.
13. Die cut or heat foil the sentiment and cut out with the coordinating dies.
14. Attach to the bottom of the card front with Bearly Art Glue
15. Use the embellishment wand to add 3 Gold Smooth sequins around the sentiment.
16. Stay Gold Sequins from Simon.
