4-1/4” x 5-1/2” (2 -3) – card front, ink blended for filigree die cut, shells, and inside square  
4-1/4” x 5-1/2” – stamp color and cut out florals.

**DIRECTIONS:**

1. Start with a 4-1/4" x 5-1/2" piece of Teal Topaz and emboss it with the new Splish Splash Embossing folder. Attach it to the front of a top folding White A2 sized card base.
2. Next, using two white 4-1/4 x 5-1/2" panels, Ombre ink blend both of them. Cut the first one with the background filigree die and set aside.
3. Then, die Cut the smaller square from the second one and then cut the sea shell stitched overlays from the scraps.
4. Do a straight stitch with the embroidery cotton, 3 in the light color, two in the medium and dark colors.
5. Next, use liquid glue to attach them to the die cut filigree base before attaching the base to the card front with Foam Squares to add dimension.
6. Then, cut the smaller square out of another piece of Teal Topaz scrap and glue it to the back of the ombre one to give it a bit of height. Add it to the center of the filigree piece also with foam squares.
7. Place the piece into the Misti and set up the sentiment in the top right corner of the box. Stamp and heat emboss with white embossing powder.
8. Then, stamp the florals from the Water You Up To Clear stamp and die set. Color with copic markers, then cut them out with the coordinating dies.
9. Finally, attach the florals to the card as show.
