**CARD STOCK AND DESIGNER PAPER:**

White Cardstock (Hammermill)

4-1/4 x 11, score and fold at 5-1/2 – card base

4-1/4" x 5-1/2" – stamp and die cut ghosts

Black

4" x 5-1/4" – matte

Mint Green

3-7/8" x 5-1/8" – card front

Black Scrap

3" x 3"- sentiment.

**DIRECTIONS:**

1. Start with a white card base cut at 4-1/4" x 11" score and fold at 5-1/2". Then, add a black cardstock mat 4" x 5-1/4".
2. Next, cut a mint green card front 3-7/8" x 5-1/8". Attach it to a sticky matte and use the Night Sky Builder Stencil and mist-colored Simon

Says Stamp Pawsitively Saturated Ink to add the clouds. This is a simple technique and creates a beautiful background.

3. Then, use Shooting Star Lunar Paste to add the stars. Once the paste is dry, use clear blocks to stamp the bats with Memento Tuxedo black ink. This completes the background. It's a good design with not too much going on, and it still allows for a second layer over it. Attach it to the card front with double-sided tape or a tape runner.
4. Start by using the Misti to stamp the ghost three times. Cut him out with the coordinating dies, then use No and N1 gray Copic Markers to add shadow down the left side of each one. Use R81 to add pink to their cheeks.
5. Next, white heat emboss the word "BOO" onto a scrap of black cardstock. Cut this out with a circle die slightly larger than the sentiment and use foam squares to adhere it to the bottom of the card.
6. Then, add the ghosts with foam squares.
7. Finally, stamp the little pumpkin in Memento Tuxedo Black Ink and color him with copic markers: YR21, YR15, and YR04 before die-cutting him out and adding him to the top of the sentiment.
