**CARD STOCK AND DESIGNER PAPER:**

White Cardstock (Hammermill)

4-1/4 x 11, score and fold at 5-1/2 – card base

4" x 5-1/4" embossed card front

4-1/4" x 5-1/2" (2) – Die cut flowers and sentiment shadow

4-1/4" x 5-1/2" card front

4" x 5-1/4" die cut arch

2" x 3-3/4" – die cut sentiment

Yellow Cardstock

**DIRECTIONS:**

1. Start with a white top-folding A2 sized card base: 4-1/4" x 11", score and fold at 5-1/2".
2. Next cut a panel of yellow cardstock 4-1/2" x 5-1/2" and attach it to the card base.
3. Over that, cut an additional white panel 4" x 5-1/4" and emboss it with the Dainty Dotted Daisy folder. Adhere this panel to the yellow card front.
4. Finally, die cut the arch from the same yellow cardstock. Emboss it with the Dainty Dotted Daisy Folder and then attach it with foam tape to the center of the card.
5. Start by die-cutting the Tilted Daisies and Arctic Poppies from the recent *Friend Like You* release using white cardstock. (Tip: Cut two of the poppies for extra fullness.)
6. Next, use small blending brushes to ink blend the flowers and stems with Simon Says Stamp Pawsitively Saturated Inks in Rhubarb, Peony, Pearfection, Honey, and Paprika.
7. Once the pieces are colored, arrange and adhere the flowers and stems onto the yellow arched panel. Add foam squares behind the flower heads to create depth and dimension.
8. Die-cut both layers of the *Celebrate* sentiment, glue them together, and attach the sentiment across the bottom of the arch with foam squares for added lift.
9. Finish the card with a touch of sparkle by embellishing it with a few Clear Pawsitively Dazzling Gems.
10. "LOVE". Add a sentiment cut from the Reverse All the Love preprinted sentiments.
